Sarah -- How about Wednesday afternoon for a call? Let us know what time works best for you. In advance of the call, it would be helpful if you could provide us with an update on EPA's costs to date and the status of the OU2 cleanup and OU3 and OU4 RI/FS. Thanks.

Best regards,
Robby

Counsellors,

You may be wondering about South Plainfield. Some time has elapsed since we last spoke but DOJ and EPA are ready to move forward more rapidly now, and we are hoping to set up a time to speak with you in the near future.

Might you be available next week (except Friday)? Actually, we prefer to avoid Tuesday as well. Please let me know what would be convenient for you.

We look forward to hearing from you.

Regards,

-Sarah
